**TOTAL DUE:** _____

All necessary procedures and precautions will be implemented to ensure the highest quality semen possible. Sires will be handled carefully and treated by a local qualified veterinarian in the event of any sickness or injury, at the owner's expense.

It is mutually understood by the sire's owners, Hawkeye Breeders Services, Inc. and their employees or associates that they do hereby mutually release each other from any and all liability in the event of injury or death of the sire(s), damage to semen during collection, of above-named sire, or from any injury sustained by Hawkeye Breeders Service, Inc., employees or associates while handling said sire(s).

Owner agrees to pay all charges for services rendered and any extra costs incurred (vet charges, fitting, photography, classifying) within 30 days of billing.

All outstanding charges must be resolved prior to removal of sire(s) or semen from stud and/or semen released. Owner expressly grants to Hawkeye Breeders Service a security interest in the bull made the subject of this contract and semen collected and/or stored by Hawkeye Breeders Service for any charges not paid under this agreement.

**Hawkeye Breeders Services does not carry insurance on your sire(s) and/or semen collected while at our facility. Owner/Agent agree to maintain mortality or other insurance as they deem necessary to protect them from loss of the bull and/or his semen. Please note: It is highly suggested that the sire(s) listed above be Blood Typed or DNA tested.**
